Grandparents Award of Distinction Gala Banquet and Silent Auction
Featuring Ross Sheppard High School

Quote from one of the guests at the 2006 inaugural celebration. **“The idea of honoring Grandparents in this fashion was a unique experience... One could experience the emotion of the Grandparents and feel the love between Grandchildren and their Grandparents. Talking with Grandparents after the celebration, what stood out for me was Grandchildren sitting with their Grandparents, with love and excitement for their Grandparents”.**

Celebrate Grandparents intergenerational relationships to family and community with Bernadette N. Swan Social Care Foundation and Ross Sheppard High School.
